Professional Summary

Currently pursuing a degree in Electrical and Electronics Engineering, with foundational skills in C, Python, and Java. Detail-oriented with strong analytical and problem-solving abilities, a quick learning curve, and a commitment to delivering innovative solutions.

Education

Rajeev Gandhi Memorial College of Engineering & Technology, Kurnool

B.Tech in Electrical & Electronics Engineering. **Score-86%**

Amaravathi Junior College, Ananthapur

MPC (Mathematics, Physics, Chemistry) **Score-90%**

April 2021

Zilla Parishad High School, Ananthapur – SSC. **Score-95%**

April 2019

Technical skills

- I have a basic understanding of C, Python, and Java programming languages.

Internships

- **AI-ML Virtual Intern**
National Educational Alliance for Technology, supported by AWS Academy
December 2022 – February 2023
- **Cybersecurity Virtual Intern**
National Educational Alliance for Technology, supported by Palo Alto Networks
May 2023 – July 2023

Certifications/Courses

- **Python 101 for Data Science**
IBM, November 2022
- **Basics of Python Course Completion**
Infosys, November 2022

Achievements

- Achieved First rank in the SSC exam during 10th grade.
- Ranked in the Top 3 of B.Tech Class in Electrical and Electronics Engineering.

Soft Skills

- I have good communication skills.
- I have strong problem-solving abilities.
- Effective team player.
- Quick to adapt to new technologies and changing requirement.
